

# **METHODS AND SYSTEMS FOR TRANSITIONING BETWEEN THUMBNAILS AND DOCUMENTS BASED UPON THUMBNAIL APPEARANCE**

## **Abstract of the Disclosure**

A thumbnail of an original document has at least one appearance characteristic that is different from a corresponding appearance characteristic in an original document. When retrieving a document associated with the thumbnail, a document version is displayed that is more similar in appearance to the thumbnail than the original document. If desired, one or more further versions of the document, closer to or identical to the first version, may be subsequently displayed.
